TECHNICAL SKILLS

Programming Language: JAVA.

Web Technologies: HTML , CSS ,PHP , Java script.

SOFTWARE TOOLS:

Eclipse,
Git Hub
Visual studio code,
Android Studio

EDUCATION

Computer Science & Engineering
Smt. Kamala and Sri Venkappa. M. Agadi College of Engineering and Technology, Laxmeshwar University VTU Belgaum.

Course
Java Enterprise Application development at X-Workz ODC Bangalore.

Internship:
Android Application Development at AMSA Embedded Solutions, Hubli.

Project

✓ **Title:**
 IoT Based Anti-Poaching Alarm System For Trees Using WSN.

✓ The Main **objective** of this project is to develop a system that can be used to **restrict the smuggling** of sandalwood trees.

- **Industry** : Security Industry
- **Storage** : Cloud.
- **Platforms** : Android application.

TECHNICLE SUMMARY

Java
Good understanding of **features of JAVA** and also about JVM,JRE,JDK Class, Object, Data types, Variables, Access Modifiers, Methods , **String, Array, Constructors, Wrapper Classes,** Good at Keywords (**this, super, final, static**)

Good knowledge **on OOPS principles**
1) **Abstraction:**
   ➢ Good understanding of **abstract class** and **Interface.**

2) **Inheritance:**
   ➢ Good knowledge on Inheritance Types **Single Level, Multi Level, Multiple Level (Diamond Problem) Hierarchical, Hybrid.**

3**) Encapsulation:** To achieve Encapsulation declare the variables with Access modifier **private**.

4) **Polymorphism:**

Good knowledge on **Compile time** (Method overloading)
   Run time (Method Overriding)
   Good at **Collection** (Hierarchical structure, List Array, List, Iterator)

WEB TECHNOLGY

HTML: Good Knowledge on Element , Attributes, Headings, Styles, Links, Form Media (video ,Audio),Id, Tables, Styles, Lists.

CSS: Good Knowledge on Selectors, Colors, Backgrounds, Border, Margin, Padding,

SQL
Good knowledge on **Database, Table Creation Insertion, Deletion, Update** and **Basic Queries**.

EXTRACURRICULAR ACTIVITIES:

❖ Completed Android Course in **GIT Academy Hubballi.**

❖ Conducted the event CODEFIESTA in SKSVMACET Laxmeshwar, as National level Hackathon and worked as student coordinator
